

# CUSTOM POKER CHIPS

Ante up with your own custom ceramic poker chips! As always, we will take care of your artwork free of charge. Made of ceramic at 4mm thick...they are exactly like a real casino chip. No setup charge, and unlimited colors. If you can dream it, we can create it. A great idea for cross-countries, deployments, fundraisers, and air shows.

- ⊛ *Our artwork services are always free of charge. Let's get started!*
- ⊛ *Two sizes available at 1.75" or 2" diameter. Each is 4mm thick.*
- ⊛ *A great lower price compliment to your squadron challenge coin.*
- ⊛ *No stickers with these chips, HD graphics printed right on the chip.*
- ⊛ *Once we finalize your artwork, production will take just 3 weeks.*
